ENPLANING FEE

Passenger Capacity	\$/ Passenger
0-9	0.00
10 +	30.00

- An Enplaning Fee in the amount of \$30.00 per enplaning passenger is payable by all aircraft operators for all aircraft operating a commercial air carrier passenger service, as entity charters or corporate aircraft at the Northern Rockies Regional Airport that is available directly or indirectly to the public.

This fee will be used to support operating costs, maintenance, capital improvements and the rehabilitation of infrastructure. The Enplaning Fee does not apply to aircraft with less than 10 passenger seats or rotary aircraft.

- In the event that passenger reports are not provided by the 10th day of each month, for the previous months activity, or deemed to be inaccurate by the NRRRA, the aircraft operator will be assessed based on the total number of seats generated by their aircraft operations over a given monthly period
- Departing commercial aircraft with a passenger capacity of 10 or more will be charged the greater of the weight-based landing fee for the aircraft, or the total of the passenger fees for the number of passengers at departure
